NARRATIVE SUMMARY

1. During the month of August the 1st Combined Action Group continued deactivation in accordance with CAF OPPLAN 1-70. Maximum emphasis was placed on Psyops using posters, loud speaker, ceremonies, and aerial broadcasts. The Psyops themes stressed confidence in the Government of VN and the ability of the Vietnamese forces to carryon without U. S. help.

2. Enemy activity showed a marked decrease since the last reporting period. The Group had fewer sightings, less contacts and no kills for the reporting period. The reason for this, being the deactivation of all the CAP's by 21 August 1970.

3. During the reporting period, the Americal Division has continued its support operations. The Americal Division has partially extended its areas of operation into the areas left vacant by the deactivation of 1st CAG.
